

VIDEO / PHOTO EDITING INTERNSHIP

ORONO • ME

BAR HARBOR • ME

Acadia Mountain Guides, Inc. offers a number of internship opportunities for qualified college and high school students interested in retail business management, marketing, website management, climbing instruction, outdoor leadership and guide service operations. Yes, we are still a place where you can do it all! You will be making real decisions with real consequences. You will be expected to be very motivated, a solid self-starter, detail oriented and willing to work a full schedule. In return, you take home many new skills, experiences and insights that will prove beneficial throughout your career.

Alpenglow Adventure Sports, founded in 1986, is a division of Acadia Mountain Guides, Inc. Alpenglow is a true outdoor and mountaineering store that maintains the flavor and tradition of a classic mountain shop run by active alpinists and outdoor enthusiasts. We sell what we know and we want shopping to be fun and educational.

Video and Photo Editing Internship

Based in Orono or Bar Harbor, Maine, the Video and Photo Editing Intern will be tasked with developing promotional video(s) for Acadia Mountain Guides or Alpenglow Adventure Sports and/or organizing and digitizing and slide collection.

This is an unpaid internship requiring 8 to 40 hours per week commitment and may be done during the day or evening. The schedule and length of internship is flexible. Students must be able to receive educational credit OR provide proof of the educational benefit for their internship experience from their high school/University department/counselor.

Responsibilities

- Develops video with accompanying voice, music and script as desired for goal.
- Types of possible projects: 1. Summer camp promotional videos. 2. Climbing School promotional videos. 3. Activity / Product promotional video for store. 4. Educational Video for non-profit organizational use related to instructional climbing skills, wilderness medicine or avalanche education. 5. Photo editing, digitizing and organization.

Internship Requirements:

The Educational Outreach intern must be organized and super attentive to detail. Familiarity with video creating and editing on Macs is obviously a must. Don't count on much help from us on a video project because we've never done it before so the ability to work on your own, periodically showing us your progress is a must.

To Apply:

Complete our application (available at acadiamountainguides.com) and return it electronically with a letter of interest and resume to Jon Tierney (climb@acadiamountainguides.com). The first step in getting your internship is following these directions well.
